

What worries my neighbourhood regarding pollution and health?

I would like to know how it affects...

The respiratory system	Concentration and cognitive development	Heart and arteries	Other	Other	Other
------------------------	---	--------------------	-------	-------	-------

I think it affects me more when ...

I walk on the street	I go cycling	I do outdoor sports	Other	Other	Other
----------------------	--------------	---------------------	-------	-------	-------

I think the group of people it affects most is...

Children	People with asthma or respiratory problems	The elderly	Other	Other	Other
